LIFE INSURANCE, LONG TERM CARE

*We helped our clients survive the financial storm via proper asset allocation (stocks, bonds, cash). The equity portions of our client's asset allocation were balanced between growth, value, large-cap, mid-cap, small-cap and international stocks using a sophisticated program put out by Morningstar. Go to: [granvillefinancial.com](http://granvillefinancial.com) to learn more and how you can order a free report of your equity balance online.*
